2. This office stated to Mr. [REDACTED] that we felt that the disposal of the classified material at the Records Center was the responsibility of the Security office, [REDACTED]. The Security officer, [REDACTED] was advised he could possibly use the new incinerator at the [REDACTED] Depot in addition to their own incinerator. However, all concerned were advised that in the event the matter could not be fully handled by them, that this office would lend whatever assistance was necessary.
